Application/Control Number: 10/037,043

Art Unit: 2144

Response to Amendment

Page 2

The Declaration of an Expert under 37 CFR 1.132 filed 10/06/2006 is insufficient to overcome the rejection of claims 1-13, 15-20, 23-25, 27, 29-31 based upon a specific reference applied under 35 U.S.C. 103 as set forth in the last Office action. The declaration is seeking to present arguments regarding the prior art reference, which was originally presented in the Non-Final rejection mailed 03/08/2006, and presented again in the Final rejection mailed 08/09/2006. The declaration is considered untimely, as per MPEP 716.01.

Evidence traversing rejections must be timely or seasonably filed to be entered and entitled to consideration. Affidavits and declarations submitted under 37 CFR 1.132 and other evidence traversing rejections are considered timely if submitted:

- (1) prior to a final rejection,
- (2) before appeal in an application not having a final rejection,
- (3) after final rejection but before or on the same date of filing an appeal, upon a showing of good and sufficient reasons why the affidavit or other evidence is necessary and was not earlier presented in compliance with 37 CFR 1.116(e)
